RE: 1819 RTKL 0123 – Sexual Education Curriculum

Dear Ms. Merten:

Thank you for writing to The School District of Philadelphia (“School District”) with your request for records pursuant to the Pennsylvania Right-to-Know Law (“RTKL”), 65 P.S. §§ 67.101, *et. seq.* On December 20, 2018, I received your request for:

A copy of the standard curriculum currently used for sexual education throughout the school district. If there is different standard curricula for different grade levels, I would like all of those individual curricula.

(“Request”)

The information you seek is available on the School District’s website at <https://www.philasd.org/healthphysed/programsservices/scope-sequence/>

Very truly yours,

Audrey L. Buglione
